

Michael,

Sherrie and I were up at the house the last two weekends. We are really thrilled with how all of the renovation work came out. I really appreciate that all of the items on the final punch list are now complete. The whole Philips Brothers crew (including Lenny and Mike Pitts) did a great job and was a pleasure to work with. I will keep a list of the next round of projects, i.e., new roof, new deck, etc. and will give you a call when we are ready to move forward. In the meantime, feel free to drop by if you are ever in the neighborhood and want to see the entire finished project with (partial) furnishings.

Regards,

Doug

Good  
job!!!
